 - Replaced culvert bottom Randall Hill on Joslin Road.

- 1986 - Extensive ditch work on Mason Hill, Old Walpole Road north of Pond Road for 700', vicinity of notch, west side Pond Road from Old Walpole Road for 900'.
- Shim Old Walpole Road from Pond Road intersection north for one half mile.
 - Add gravel Mine Ledge Road (north end).
 - Shim work upper portion Joslin Road.
 - Installed cable TV in portions of town.

The following discussion presents the selectmen's office views as to the future needs and a time table for implementation. Consideration is given to minimizing the impact on the tax base in a given year, the amount of capital reserve funds for these projects, and the need to avoid multiple high bonds which could approach the debt ceiling for the town, leaving little room for emergency projects.

It must be recognized that this planning is subject to the town approval through the course of town meetings and budgetary approval.

Objectives for 1987 include:

- Chip seal Old Walpole Road from intersection Pond Road north one half mile, Malcom Drive and Hallwood Drive.
- Purchase sweeper (tractor driven).
- Purchase police cruiser (used).
- Purchase computer system.
- Continue Pond Road improvement from vicinity of Rivers' residence in a northeast direction approximately 1500 feet.

1987 and future years - Maintain a resurfacing program of roads currently in good condition to ensure against unnecessary high repair cost.

1988-Continue Pond Road Project.

- Develop plans for town garage and prepare cost estimates for presentation town meeting 1989.
- Chip seal lower portion Joslin Road 12A west
- Shim & seal portion Old Walpole Road according to need and funds available.

1989-Continue Pond Road Project.

- Build town garage.
- Develop bid requirements for fire truck to replace 30M3 as town pamphlet 19 truck.

1990-Continue Pond Road Project.

- Purchase and put in service new fire truck.

1991-Start Old Walpole Road improvement.

POND ROAD PROJECT - 1986

The Pond Road Project was started at a point 900' north of the intersection with the Old Walpole Road and continued northeast towards the village 1500'. Large trees abutting the road were removed and culverts were assessed as to condition. Those found to be in good condition were flushed by the Fire Department and marginal culverts were targeted for replacement.

The knoll near the cemetery was cut and gravel from the cut utilized in adjacent areas. Drainage tile was added in the area of the Lawrence residence and terminated at a header and culvert across the road.

After the road contour was established, gravel was brought in to top off the road bed. After compaction, final surfacing with 2" of asphalt was performed, along with shoulder and seeding work.

Alternative sources were solicited for price quotations on heavy equipment services, gravel purchases and paving.

Recognizing that it is difficult to assess the total cost relative to the distance covered, we feel that the overrun of \$1,921.41 was offset by the quality of the results.

The selectmen wish to thank Tom Dutton for his technical assistance in this project.

Six families (including all members) increased our readers by 17.

The Library hours were changed to: Monday 4-9 p.m.

We trust the changeover did not inconvenience the Library members.

SURRY VOLUNTEER FIRE DEPARTMENT REPORT -1986

It has been a relatively quiet year for the Fire Department. Training has continued throughout the year in the fire protection area and in the medical emergency area. Meadowood Area Firefighting spring and fall sessions were attended by department members. Monthly meetings have included a training session/drill. A pre-planned drill was held in the fall at the Streeter residence on Webster Road. Fire departments from Alstead, Keene, Marlborough and Gilsum responded to this drill.

The fire department members continued to raise money for various goals. The largest goal at this time being the Fire Truck Fund. Fishing derbies, chicken bar-b-ques, suppers and a pancake breakfast were held as fund raisers and were enjoyed by all who attended. Plans are being made to hold similar events in 1987.

Surry is one of the few towns in the state of New Hampshire that has a truly "Volunteer Fire Department" and we are experiencing a problem that is not unique to our town-membership is decreasing. We need some new members to assist us in performing our community service. A few members can not do it all. We need your help. If you are interested please contact one of our Engineers.

CONSERVATION COMMISSION REPORT

MEMBERS: Cal Frink, Harold Pike, Paula Lorette, Maureen Bigelow. Recommended for appointment: David Lane.

We have met, reorganized and are ready to address issues. Our meetings will be on a regular basis, temporarily on the 1st Monday of the month.

We held AN EVENING OF CONSERVATION on February 16, at 7:00 p.m. at the town hall. We had the state program on Trust for N. H. Lands, displays of town maps and soil surveys, Cooperative Extension information available on forestry and wildlife, and other fun information. It was well received. More evenings will occur during 1987 with the goal of educating the new and old on the wonderful things in Surry that need to be guarded and conserved.

This is the Police Report for the Town of Surry from June 16, 1986 to December 31, 1986.

I am a certified officer and I qualify twice a year with a firearm through the State Police.

There are just a few things of which I would like to remind you. First of all, the Police Department is still doing house checks for those of you who would like this service. I also want to remind you of two State laws that affect our town. The first one being, the leash law for dogs; and the second one being, it is against the law to snowblow or shovel any snow out into the roads.

You can reach me anytime through Mutual Aid as I have a pager on me at all times. The phone number there is 352-1100. This should be the only number you call when trying to reach me.

Gerald G. Clark, Chief
